

## Year Long Entry Program Draft

- All students will get the chance to experience tasters of these classes during the first two weeks of term 1.
- The students and parents/guardians will then be able to make a decision on the option that best suits the student.
- SEAL students can choose across a greater range of subjects.

Entry Option 1					
<p><b>Quest 1 (SBO)</b>  <i>In Quest you will be taught by the same teacher 6 periods a week and is for Entry students only.            This teacher will play a big part in your life at MAC.            In Quest you will negotiate your English novels and assignments with your teacher.            There will also be certain times of year where these assignments will span across your Quest, Greening the Apocalypse and Maths classes.</i></p>	<p><b>Greening the Apocalypse 1 (OH)</b>  <i>Curious about climate change? Want to plan to save our planet? Want to learn about palaeontology and evolution? Then Greening the Apocalypse is the subject for you.            How are these topics connected? Because to understand how to take better care of our planet, we need to understand our past.            This science subject will have a focus on sustainability and climate change.            You will be able to negotiate what you learn with your science teacher.            There will also be certain times of year where these assignments will span across your Quest, Greening the Apocalypse and Maths classes.</i></p> <p>Or</p> <p><b>Entry P.E</b></p>	<p><b>Greening the Apocalypse 1 (ND)</b>            or  <b>Entry P.E (EK)</b>  <i>This class is for Entry students only.</i></p>	<p><b>Quest 1</b>  <i>In Quest you will be taught by the same teacher 6 periods a week.            This teacher will play a big part in your life at MAC.            In Quest you will negotiate your English novels and assignments with your teacher.            There will also be certain times of year where these assignments will span across your Quest, Greening the Apocalypse and Maths classes.</i></p>	<p><b>One of the following in S1:</b>            Jewellery and Makers            Turn it to 11 Music            Beginners Japanese            Italian</p> <p>AND</p> <p><b>One of the following in S2:</b>            Vogue and Printing Design            Turn it to 11 Music            Beginners Japanese            Italian</p> <p><b>These classes will have Entry to Above Entry students in them (7-10)</b></p>	<p><b>Entry Maths Class 1</b>  <i>There will be two Entry Maths classes scheduled at the same time.            Your maths teachers will be with you all year and will work with you in an experiential maths space where you will learn about maths by doing and asking lots of questions.            There will also be certain times of year where assignments will span across your Quest, Greening the Apocalypse and Maths classes.</i></p>

- Our recommendation is that SEAL students and parents are mindful of the importance of SEAL students connecting with other Entry students in their first year of high school.
- The subjects that enable SEAL students to be with other Entry students are highlighted.
