

## VISITORS POLICY

### 1. PURPOSE

To provide a safe and secure learning and teaching environment for students and staff by establishing processes to monitor and manage visitors to Mount Alexander College (the School).

### 2. DEFINITIONS

- **Child-related work** - as defined by the *Working with Children Act 2005* (Vic), child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional contact with children that is incidental to the work such as external maintenance providers, contractors or couriers.

### 3. SCOPE

This policy applies to any visitors who may attend school grounds when the school is open for instruction between the hours of 8:00am to 4:00pm.

Outside of these operating times, the School's general office is not staffed and the only visitors who are permitted on school grounds are Parents/Carers or their delegates who are dropping off or picking up students from school events such as parent teacher interviews, concerts, sport or other school activities, and community and other groups who have entered into contracts or agreements with the school to use school premises outside of school hours.

### 4. POLICY

Mount Alexander College strives to create an open and inclusive school community and encourages parents/carers to be actively involved in their child's development and education. The school also strives to foster strong partnerships with local community services, other schools and other organisations.

The School is not a public place. The Principal has the authority to permit or deny entry to the school grounds and encourages all visitors to familiarise themselves with the School's *Statement of Values, Child Safe Policy, Statement of Commitment to Child Safety, Child Safe Code of Conduct*.

From time to time, different members of the public may visit the school. Visitors may include, but are not limited to:

- Parents/Carers
- Volunteers – see the School's Volunteers Policy for more information
- Prospective parents, students and employees
- Invited speakers, sessional instructors and others addressing learning and development
- Public officials (e.g. Members of Parliament, local councillors)
- Persons conducting business e.g. uniform suppliers, booksellers, official school photographers, commercial salespeople

- Record their name, signature, date and time of visit and purpose of visit using the Compass Kiosk located in the General Office.
- Provide proof of identification to office staff upon request.
- Produce their valid Working with Children Check where required by this policy (see below).

- Return to the office upon departure, sign out and return their visitor's lanyard/name-tag.
- Must abide by any applicable COVID restrictions at the time of their visit.

The School will ensure that the School's Child Safety Code of Conduct/Child Safety Statement of Commitment are available and visible to visitors when they sign in.

### **Requirements for visitors to produce a valid Working with Children Check card**

For Working with Children Check (WWC Check) and other suitability check requirements relating to Parents/Carers and other volunteers working with students please see our Volunteers Policy.

All visitors who are engaged in child-related work (see definition above) must have a valid WWC Check.

In some circumstances, visitors to the School who are not engaged in child-related work will also be required to produce a valid WWC Check depending on the particular circumstances of their visit.

For example, the School will require a valid WWC Check for:

- Visitors who will be working regularly with children during the time they are visiting, even though direct contact with children is not a central part of their normal duties.
- Visitors (e.g. contractors), who will regularly be performing work at the school and in circumstances where they will be performing their work in an area where they will be unsupervised and around children.

Further background checks, including references, may also be requested at the discretion of the Principal.

Visitors who will be working in areas away from students (e.g. a visiting auditor who will be located in the general office with administration staff) or who will be supervised and accompanied by a staff member during their visit (e.g. a Member of Parliament, a journalist, a prospective student's Parent/Carer on a school tour) will not be required to have a WWC Check.

Sworn Victoria Police officers or sworn Australian Federal Police officers are exempt from requiring a WWC Check but may be asked to verify that they are sworn officers by providing proof of identification.

### **Invited speakers and presenters**

On occasion, the School may invite external speakers or providers to deliver school based extracurricular activities, presentations, workshops and special programs for our students. Consistent with Department of Education and Training requirements, the School will:

- ensure that the content of presentations and programs by external providers contributes to the educational development of our students and is consistent with curriculum objectives;
- ensure that any proposed visit, programs or content delivered by visitors complies with the requirement that education in Victorian government schools is secular and is consistent with the values of public education, Department policies and the *Education and Training Reform Act 2006* (Vic). In particular, programs delivered by visitors are to be delivered in a manner that supports and promotes the principles and practice of Australian democracy including a commitment to:
  - elected government,
  - the rule of law,
  - equal rights for all before the law,
  - freedom of religion, speech and association, and
  - the values of openness and tolerance.
- respect the range of views held by students and their families.

### ***Parent visitors***

We understand that there may occasionally be a reason why a parent or carer may want to speak to or see their child at school, during school operating hours.

If there is a particular pressing or unavoidable issue that cannot wait until the end of the school day, we ask that Parent/Carers call the School's General Office and request that a message be relayed to their child and in exceptional circumstances request to speak to their child. We also ask that Parent/Carers avoid visiting their children at the School, as this can cause inappropriate disruptions to the school day.

All Parent/Carers who visit the school during school operating hours, other than for the purposes of school pickups and drop offs or for specific school events (e.g. parent teacher interviews, concerts, assemblies), are required to sign in as a visitor at the general office.

### ***Other visitors***

All business operators, tradespeople and other visitors attending the school to conduct work must report to the school general office upon arrival for instruction and follow the sign in procedure outlined above.
