

MOBILE PHONES – STUDENT USE POLICY

1. PURPOSE

To explain to our school community the Department's and Mount Alexander College's (the School) policy requirements and expectations relating to students using mobile phones and other personal electronic devices during school hours.

2. DEFINITIONS

- **Mobile Phone** – a portable device for connecting to a telecommunications network in order use voice, video, social media and other Internet based applications. For this policy, "mobile phone" refers to mobile phones and any personal electronic device that may connect to or have a similar functionality to a mobile phone such as a smart watch.

3. SCOPE

This policy applies to:

- All students at Mount Alexander College and,
- Students' personal mobile phones and other personal electronic devices brought onto school premises during school hours, including recess and lunchtime.

4. POLICY

The School understands that students may bring a mobile phone to school, particularly if they are travelling independently to and from school.

At Mount Alexander College:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours.
- Exceptions to this policy may be applied if certain conditions are met (see below for further information).
- When emergencies occur, Parents/Carers should contact their child by calling the School's general office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, mobile phones must not be used at the School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

- Mobile phones owned by students at the School are considered valuable items and are brought to school at the owner's (student's or Parent/Carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Note that the School does not have accident insurance for accidental property damage or theft. Students and their Parent/Carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's [Claims for Property Damage and Medical Expenses policy](#) for more information.
- Where students bring a mobile phone to school, they must store them in their assigned locker which must be secured with a School approved combination lock. Students are required to keep their mobile phone in their lockers throughout the school day. Lockers cannot be readily accessed by those without permission to do so. Students who do not have an approved combination lock must not store their phones in their lockers; instead, they must hand their phones into the Heads of House to be locked away.

Enforcement

Students who use their personal mobile phones inappropriately at Mount Alexander College may be issued with consequences consistent with the School's Student Wellbeing and Engagement, Code of Conduct and Bullying Prevention policies.

The teacher will take the phone to Heads of House. The phone will remain in the Heads of House for the remainder of the day. Students will be able to collect the phone at 3.30pm from the Heads of House office.

b) Phone use outside of class time:

- Any student who has a phone in the yard at any time will have the phone confiscated by a member of staff. The phone will be placed in the Heads of House office and will be able to be collected at the end of the day.
- If it is the second time a student has had a phone in class or in the yard, a parent or guardian will be contacted and asked to collect the phone from the school.
- After the third time, students will be required to attend a meeting with their parents and will have to leave their phone at the Heads of House office each day for a week.

If a student continually fails to comply with the policy a parent meeting will be organised, and students may be restricted from access to their mobile phone at school going forward.
